Julie Beyer : Miniature Cars (High Interest Books: Cool Collectibles) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Miniature Cars (High Interest Books: Cool Collectibles):

From School Library Journal Grade 3-5-Slim series titles that provide background information and advice for youngsters interested in collecting. Both books also briefly cover when and how these toys were made and basic guidelines for determining the value of a particular item. Each volume has large-print text and colorful photographs.
