Chris Blanchett : Mintons Tiles before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mintons Tiles:

0 of 0 people found the following review helpful. The tiles are beautiful but the book is disappointing. By D. Kuhlmann
The book is advertised as having 56 pages, but as 24 pages are blank on one side, this is misleading - ie only 32 printed pages. Many of the illustrations of the tiles are very small.

A faithful reproduction of Minton's China works' 1885 catalogue.
