This series is one of Patricia Smith's most popular and each edition is eagerly awaited by doll collectors worldwide. The eighth edition features over 800 color photos with a detailed informative text, listing each doll's histories, dates, sizes, important facts, and of course, current values.

Patricia Smith's Modern Collector's Dolls, 8th Series, Identification And Value Guide is the most popular, comprehensive, and reliable guidebook series of its kind. Over 800 full-color photographs illustrate detailed informative text. Each doll listed features histories, dates, sizes, important facts, and current values. This all-new edition of Modern Collector's Dolls is the most impressive in this series to date. No collector, dealer, or doll lover can

afford to be without access to *Modern Collector's Dolls*. Serious doll collectors are recommended to get on the mailing list for Collector Books catalogs and new title announcements for their other fine publications (including Patricia Smith's other doll books) dealing with doll collecting. -- Midwest Book
