For over 30 years, Modern Guns has been the standard reference for gun dealers, hunters, sportsmen, and firearms enthusiasts all across the United States. This popular guide contains model name, gauge or caliber, action finish or stock and forearm, barrel, cylinder or magazine, sights, weight and length, and comments. This updated edition features current market values for over 2,500 models of rifles, shotguns, and handguns, with over 1,800 illustrations.

Loaded with information on guns from 1900 to the present, values are given for very good and excellent condition guns, as well as suggested retail prices for guns still in production. 2011 values.

About the Author Steve Quertermous, along with his father, Russell, have produced gun books since the late 1970s. Steve was raised with a respect for firearms and an interest in how they were produced and marketed. With degrees in journalism and American history, his love of research and publication design led to a career as an editor in book and magazine publishing. Russell has since passed away.
