**Mary McPhail Standaert, Joseph Standaert : Montreat (NC) (Postcard History Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Montreat (NC) (Postcard History Series):

1 of 1 people found the following review helpful. A highly recommended read By Midwest Book Review Every city has a story, and the story of Montreat, North Carolina, is as interesting as any other. "Montreat" relates the history of this small Carolina town that was founded more than a hundred years ago by a community of religious folks who lived in harmony, forming Christian colleges that still stand to this day. A piece of Americana and a fine entry into the postcard history series, "Montreat" is a highly recommended read.

Montreat is nestled in a cove of 4,500 acres on the eastern edge of the Blue Ridge Mountains near Asheville and Black Mountain. Established in 1897 by an interdenominational group largely from the North, it was the first religious assembly to be founded in the Swannanoa Valley. True to its initial charter, Montreat serves as a location for physical and spiritual renewal and as a center for Christian study and practice. In 1906, Montreat was purchased by a group of Presbyterian individuals largely from the South. Today it consists of three entities: the Town of Montreat, Montreat College, and the Montreat Conference Center, which serves the Presbyterian Church (USA). Montreat is also widely known as the mountain home of the Billy Graham family.

About the Author Mary McPhail Standaert, Ph.D., and Joseph Standaert are Montreat residents and have been attending local conferences for more than 30 years. They have a long-standing interest in the history of Montreat and have collected more than 350 different Montreat postcards.
