**Pamela E Apkarian-Russell : More Halloween Collectibles: Anthropomorphic Vegetables and Fruits of Halloween (Schiffer Book for Collectors)** before purchasing it in order to gage whether or not it would be worth my time, and all praised More Halloween Collectibles: Anthropomorphic Vegetables and Fruits of Halloween (Schiffer Book for Collectors):

0 of 0 people found the following review helpful. Hmmmmm...By Diana Leak Terrible photos - shadows or glare in all the wrong places. You would think that the photos would be the #1 consideration in a book about vintage items. Sad addition to my collection of Halloween books. 0 of 0 people found the following review helpful. Five Stars By Roy Zieger Jr. Great book for a great price and shipped fast. 0 of 0 people found the following review helpful. a feast for the eyes By P Miller lovely illustrations of Halloween collectibles

Turning these pages, the reader plunges deep into a fantastic and spooky world inhabited by all manner of lively, animated vegetables and fruit folk that caper and dance under the Halloween moon. These figures, led by the ever-popular jack o' lanterns, are shown in over 580 color photographs in their many collectible forms, including Halloween figural candy containers, lanterns, and postcards. Assorted noisemakers, wall decorations, hats, masks, and party decorations are also included in this thorough presentation. These collectibles span quite a range from the very old to the modern. Also included is sound advice about how to collect your favorite Halloween characters and prices for all of the items displayed. This wonderful romp through the woody underbrush of Halloween will bring back childhood memories of trick or treats past to all who read it!

About the Author Pamela E. Apkarian-Russell is an expert in the field of Halloween collectibles and has been dealing in them for many years. Pamela also publishes the Trick or Treat Trader newsletter.
