By T. Travis
Very pleased with this purchase! Now I can actually tell which quarters I have and which ones I still need. I love these quarters... they are very interesting. There is one space for the Denver front and one space for the Philadelphia front. All others have one space per quarter.(to show the backs). The folder itself is sturdy. Haven't had any problems with quarters not fitting. Also includes a little info about each one. Good price.

Are you ready to take your coin collecting to new places? How about taking your collecting on a scenic tour of America's most breathtaking and revered national parks courtesy of this new "America the Beautiful" National Parks Collector's coin folder. This affordable and durable 3-panel folder contains 60 slots - more than most folders - to house all of the National Parks quarters. Plus, there is a slot each for the Denver and Philadelphia coin fronts. From Hot Springs National Park to Tall Grass National Park you'll have a stunning showcase for your quarters, along with geographic details and historical anecdotes about each national site featured, as well as key coin specifications. Plus, the front cover of this folder features the reverse image of each of the first five coins issued in this program – a unique feature of the Warman's National Park Quarters folders, produced by Krause Publications.
