Edward Krohn : National Political Convention Ticket, Ribbon Badges and Other Memorabilia Catalog and Price Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised National Political Convention Ticket, Ribbon Badges and Other Memorabilia Catalog and Price Guide:

0 of 0 people found the following review helpful. National Political Convention TicketsBy Richard J. CrosbyArthur went to great detail and research in researching the political history since the inception of convention tickets and badges beginning from 1856 to 2008. Contains information on all major and minor political parties and for the National and also the state primary conventions. More information is needed for the local political conventions. There is also a price list and lots of pictures to compliment the information. This is a must book for the serious historian and a collector of political campaign items.

370 page book beautifully illustrated in full color with images of all National Political Convention, tickets, programs, ribbon badges, license plates, telephone cards, press passes, financing certificates, appointment commissions. Packed with information
