Raymond Bushell : Netsuke, Familiar and Unfamiliar: New Principles for Collecting before purchasing it in order to gage whether or not it would be worth my time, and all praised Netsuke, Familiar and Unfamiliar: New Principles for Collecting:

3 of 7 people found the following review helpful. Netsuke, Familiar and Unfamiliar: New Principles for Collecting By Natalia Popova There are many good thoughts for all, carvers, sellers, deallars, collectors. 41 of 42 people found the following review helpful. A "must have" reference for netsuke collectors By Harry McKeithen Lavishly illustrated with color photographs of 790 netsuke (plus black and white photos of signatures) with explanatory text and organized into 45 brilliantly conceived categories. In the body of the text (new principles for collecting) Mr. Bushell fully displays the erudition one would expect from such a formidable collector but manages to do so in a way that is easy to grasp

and immensely entertaining. Bravo, Mr. Bushell !

This volume presents endless varieties of netsuke systematically categorized to serve as a principle guide for netsuke collectors.
