Raymond Bushell : Netsuke Masks before purchasing it in order to gage whether or not it would be worth my time, and all praised Netsuke Masks:

Netsuke are small toggles or buckles carved from wood or ivory. The Japanese in the seventeenth century used them to fasten pouches to their kimono belt, since kimonos had no pockets. This lavishly illustrated book takes the reader on an exciting tour of one type of netsuke—those carved to look like the masks used by stage actors.
