Beckett Publications : NY Yankees Collectibles: A Price Guide to Memorabilia for America's Favorite Team before purchasing it in order to gage whether or not it would be worth my time, and all praised NY Yankees Collectibles: A Price Guide to Memorabilia for America's Favorite Team:

0 of 0 people found the following review helpful. Five StarsBy Jerome P JudtNice0 of 0 people found the following review helpful. Go Yankees. 27 championships!!!By J. DorschnerVery Informative!0 of 0 people found the following review helpful. YANKS AT BAT ARE THE GREATEST!!!By garry1952As a long-time collector of sports memorabilia, which has to include the New York Yankees, this is a superb book for beginners and experts. While would be virtually impossible to cover the long history of the Yankees in one book, this one does an excellent job. The

articles on various aspects of collecting Yankees memorabilia are very thorough and will give anyone much needed direction on how they should proceed with their interests in this team. Wish they could have had more on the earlier memorabilia (pre 1970s) but it does have to be complete through the years. This should be on the top of any sports memorabilia collectors "want list".

A Price Guide to Memorabilia for America's Favorite Team

About the Author When it comes to reporting on values for secondary market collectibles, Beckett Publications is recognized and respected worldwide as the most trusted authority. Founded in 1984 by Dr. James Beckett, the company has sold millions of price guide books and magazines to collectors of sports cards, sports memorabilia, toys and other licensed collectible products.
