Scott Benjamin, Wayne Henderson : Oil Company Signs: A Collector's Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Oil Company Signs: A Collector's Guide*:

0 of 0 people found the following review helpful. Not what I expected
By Army Wife Retired
Not what I expected, few color or black white photo's. Mostly a price list
0 of 9 people found the following review helpful. an entertaining book for gasoline trivia fans.
By Brian Skafica
although i bought this book elsewhere, it is very informative for those who remember that there was a standard oil in many states after its breakup in 1911. however, there are some flaws in the book's text-they used the spelling of "it's" incorrectly(example: "standard is the best in it's marketing area").

Paperback: 224 pages
Publisher: Motorbooks Intl (October 1995)
