**From Dover Publications : Old-Fashioned All-Occasion Cards: 24 Cards (Dover Postcards)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Old-Fashioned All-Occasion Cards: 24 Cards (Dover Postcards):

They are small, like the older cards were but still plenty of room for writing and addressing. They've been well received by my Postcrossing recipients. Just about every major holiday in the US is represented by 2 cards. Halloween Christmas have 3 each. The paper is a nice heavy weight and the front is a gloss finish. They were easily torn apart from the book. They do leave that little rough edge from the perforations in the book but it's okay. Very nice. 1 of 1 people found the following review helpful. Old-Fashioned Charm of "The Good 'Ol Days" By Ashley Growing up we would frequent antique markets; while my parents would inspect over-sized pieces of furniture,

I would sit cross-legged and sift through the piles of postcards. Even more than looking at the pictures, I loved to decipher the messages. These old-fashioned postcards brought back a flood of memories. While, they aren't "antiques" they certainly embody charm and a tinge of nostalgia. Even better, they are clean of any old-fashioned loopy handwriting. 0 of 0 people found the following review helpful. A book with glossy laminated pages By Diana Be careful. These postcards go as a book with glossy laminated pages and you have to tear postcards out. Haven't tried yet but this was unexpected. probably I missed some details in product description. Besides this, picture details and printing quality and postcards themselves are great.

Share the holiday spirit with 24 vintage greeting cards brimming with nostalgic charm. Suitable for every season, these antique cards feature holidays such as Christmas, New Year's, Valentine's Day, Easter, Independence Day, Halloween, plus other occasions. Beautifully reproduced from rare, turn-of-the-20th-century originals, they make lovely gift cards as well as distinctive greetings. They're also great for scrapbooking and craft use.
