Gregory Branson-Trent : Olivia More Than Physical: A Collector's Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Olivia More Than Physical: A Collector's Guide:

0 of 0 people found the following review helpful. I love itBy SamNice book of ONJ. I am always a fan of her since the 70's and believe she is one of the greatest singers of all time.3 of 4 people found the following review helpful. Everything you need to know about superstar ONJBy gd31908@glo.beThis very easly read book about singer/actress Olivia Newton-John reveals us about everything we need to know about Olivia.It starts with a not so complete,yet very well written biographie. The book also includes her discographie and a picture of every single album-cover.All the movies the actress has been in are reviewed and many of the albums and video's too.There is also a list of tv apparances,of radio shows and full listing of apparances in magazines troughout the years.A nice tribute to a woman

who's indeed much more than PHYSICAL.7 of 9 people found the following review helpful. IT SHOWS STUFF THAT DOESN'T EXIST AND IT IS POORLY WRITTEN.By A CustomerTHE AUTHOR DIDN'T PUT VERY MUCH EFFORT INTO WRITING THIS BOOK. HE SURE DIDN'T DO MUCH "HOMEWORK" ON WRITING AND SHOWING HER DISCOGRAPHY. A PERSON WHO WRITES HER SHOULD DO HIS "HOMEWORK" BEFORE GETTING A BOOK DEAL TO BE ABLE TO WRITE ABOUT OLIVIA. THANK YOU.
