He has every book on Oriental Rugs and says most of them contain the exact same information but this one is very practical. Nice enough to put on the coffee table.0 of 0 people found the following review helpful. Not the best i have in my CollectionBy Andreas L.there are better books around. see Battenbergs Books about oriental Rugs and Kilims1 of 1 people found the following review helpful. Five StarsBy EW RafalskeGood reference book.

A history of carpet making offers practical advice on assessing and buying carpets, provides a complete manufacturer's list, and is peppered with lavish photographs of rugs from Turkey, Central Asia, China, and Tibet.
