A. Durenne : Ornamental Ironwork: Over 670 Illustrations (Dover Pictorial Archive) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ornamental Ironwork: Over 670 Illustrations (Dover Pictorial Archive):

0 of 0 people found the following review helpful. Print quality is not acceptable. The whole idea is ...By Two-A AaronPrint quality is not acceptable. The whole idea is to be able to study the design details, which is impossible given the shoddy print job.0 of 0 people found the following review helpful. Looked as if it was put together in a fast ...By CustomerLooked as if it was put together in a fast manner. Some of the pages didn't print correctly. ink was runny on some of the pages and it was out of order0 of 0 people found the following review helpful. Great for embroidery

designsBy Berenice VillanuevaIf you like to embroider this book contains a lot of designs that can be transferred onto soluble paper and then embroidered. There are a lot of intricate designs, but you don't have to trace everything.

This spectacular treasury of antique ornamental ironwork designs will delight antique lovers, graphic artists, and anyone interested in inspired decorative flourishes from a bygone era. More than 675 finely detailed illustrations, selected from a rare turn-of-the-century publication, provide striking examples of decorative designs for balconies, gates, window grilles, staircases, doorways, and other architectural features. Commercial artists and craftworkers can choose from a remarkable variety of motifs — from intricate, gracefully executed floral, foliated, and geometric elements to patterns that are exceptionally elegant in their simplicity. Each design is painstakingly reproduced in this inexpensive, royalty-free collection. The book offers a rich source of inspiration and usable material that will add panache to a host of art and craft projects.
