Over 350 striking black-and-white illustrations of early 20th-century fashions — from elegant, high-necked hobble-skirted gowns of 1910 to the loose-fitting, barrel-shaped dresses of 1919. Includes figures garbed in rich furs,

sumptuous fabrics, swooping drapes, clutched cloaks, "harem" pants, lounging pajamas, leg-revealing beach wear, and much more. A delight for nostalgia fans. Invaluable to fashion historians, designers, and collectors.

About the Author JoAnne Olian is a former curator of the costume collection at the Museum of the City of New York and the author of numerous books on the history of fashion.
