Andrea Podley, Derrick Bang : Peanuts Collectibles Identification and Values Guide before purchasing it in order to gauge whether or not it would be worth my time, and all praised Peanuts Collectibles Identification and Values Guide:

1 of 1 people found the following review helpful. Unbelievable! By D. This book contains a broad range of Peanuts Collectible items with numerous clear pictures and well organized comprehensive detail. If prices listed are accurate it is truly unbelievable as to what some of the peanuts items are valued at. Even pieces from the 70's and 80's hold value. However, not all items have a substantial individual value but if one has a large collection the accumulative value could be quite surprising. 1 of 1 people found the following review helpful. pepper shaker collector By queenie was satisfied in what i was looking for which i will eventually be buying another to get more updates thank you for this wonderful book 1 of 1 people found the following review helpful. BURGESSEXCELLENT!!!!!!!!!!

This colorful and informative guide to the world of Peanuts collectibles features over 1,200 full-color photographs of over 2,700 items. An extensive sampling of ceramic items, music boxes, Christmas-themed items, banks, dolls, and figurines make up this volume. Copyright information, facts about the Peanuts Collectors' Club, and tips on starting, inventorying, and selling a Peanuts collection are included. REVIEW: This book shows the diversities in products and presentation of pieces by the Fostoria Company, until it closed the factory in Moundsville in 1986. The authors have presented this complex period as simply as possible, providing original company catalog pages and detailed photographs.
