Don Duer : Penny Banks Around the World: With Values (Schiffer Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised Penny Banks Around the World: With Values (Schiffer Book):

0 of 0 people found the following review helpful. Damaged BookBy Adam BAlthough this book was packaged well, shipped well, and a good price, there was a big cut rent across the back of the book. It appeared to be sliced with a utility knife at some point. Received too late to return in time for xmas gift giving. Very disappointing.0 of 0 people found the following review helpful. Five StarsBy alynnzGreat0 of 0 people found the following review helpful. Five StarsBy Mrs. PaulAAA DEALER

Over 1,600 cleverly designed and meticulously made enchanting penny banks are identified and displayed here in

clear color photographs. The banks are organized by type and by material. These vintage banks, which once helped children learn to save their money, now attract adults who find their variety, beauty, and sense of thrift very appealing. They have become very popular as collectibles.

About the Author Don Duer is an architect in Winter Park, Florida. His collection of architectural, ceramic, and silver banks is vast, and he has served as president of the Still Bank Collectors of America. His previous books about still and mechanical banks are also written with his characteristic enthusiasm.
