This Personal Doll Inventory is an indispensable aid in recording purchases for insurance or inventory purposes. Lots of space for descriptions, origins, values, dates of purchase, etc. A must for every type of antique collector. REVIEW: This book is ideal for recording your collectible dolls inventory. Not only will it serve as the perfect insurance record in case of fire or theft, but it will also be treasured by you and your family for years to come. For the collector it will add joy to your hobby; for the dealer, it will provide accurate information for business and tax records. It is a great way to keep up with items and comes in a handy size for easy storage.
