Mònica Gaspar, Pravu Mazumdar, Peter Bauhuis : Peter Bauhuis: Abecedarium- Jewel, Vessel, Implement (English and German Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Peter Bauhuis: Abecedarium- Jewel, Vessel, Implement (English and German Edition):

This publication presents for the first time the whole spectrum of Peter Bauhuis' creative works, featuring a mixture of

large objects and small-scale jewellery.

About the Author Peter Bauhuis (born in 1965) lives and works in Munich. He studied at Staatliche Zeichenakademie Hanau [State Academy Hanau] between 1986-1990, and at Academy of Fine Arts, Munich, Class of Jewellery and Hollow-Ware with Professor Otto Kunzli from 1993-1999/2000. Since 1999 he has worked in his own studio. Bauhuis has participated at numerous solo- and group exhibitions in Australia, Germany, Denmark, Austria, the United States, Italy and Switzerland. He is laureate of the Bayerischer Staatspreis (2011) and winner of the Danner Foundation Prize of Honour (2008) and the Friedrich Becker-Preis (2005), amongst others.
