Monica Lynn Clements : Pocket Guide to Occupied Japan (Schiffer Book for Collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Guide to Occupied Japan (Schiffer Book for Collectors):

2 of 2 people found the following review helpful. Pocket Guide to: Occupied Japan By Byrdlady This book is good it has a wide variety of items made in occupied Japan shown. The pictures are in color and very well done and I found them to be the best part of the book. This book has very little history and does not tell much about the different marks or why there are so many different marks used on the occupied Japan items. This book does state that if items arrived

in this country with no mark, a rubber stamp was used to add the mark. The book also states that a few unmarked items did slip through but these items have less value without an Occupied Japan Mark. This book shows the prices on the same page as the item and states "The purpose of this book is not to set firm prices but to serve as a guide." 0 of 0 people found the following review helpful. Four Stars By ValAnngood information 0 of 0 people found the following review helpful. Five Stars By Willie Beard AA

In *Pocket Guide to Occupied Japan*, authors Monica Lynn Clements and Patricia Rosser Clements showcase the wide array of products made in Japan during the American Occupation (1945-1952). Once sold in department stores or dime stores, these items are now much sought after by collectors. With a brief history and over 250 color photographs, this handheld guide features figurines, planters, vases, salt and pepper shakers, animals, toys, dishes, mugs, wall plaques, metal objects, and other interesting items made in Occupied Japan. It is a welcomed addition to anyone's personal reference library.

About the Author Monica Lynn Clements is a teacher and a writer who was born in East Texas. She is a graduate of Baylor University with a bachelor's degree in English and French. After working on Capitol Hill, she obtained her master's degree and teacher certification. She has traveled extensively throughout Europe and is an antiques dealer specializing in rare books. Patricia Rosser Clements, born in Virginia, grew up in the Washington, D.C. area. Fate took her to East Texas where she met and married her husband. She has three children. A longtime collector of antiques and an antiques dealer herself, her other interests include art and design as well as photography. She is a perpetual student with a degree in business. Her passion for travel has taken her throughout the United States and Europe.
