Barbara Andrews : Postcard Collector before purchasing it in order to gage whether or not it would be worth my time, and all praised Postcard Collector:

7 of 7 people found the following review helpful. Useless book...By William A BadenhopThis book was a total ramble by the author. There is almost no worthwhile information and the author simply tries to give history lessons about whatever topic she is covering while giving no useful information about the cards that are illustrated. Look elsewhere.1 of 1 people found the following review helpful. postcard bookBy arjohneverything went well8 of 10
