Four StarsBy DAVID ARMSTRONGEverything you want to know about knives1 of 2 people found the following review helpful. thanks - its not a book I'm in love with, but is everything I expected.By Gary L.good solid book on the basics of knives - well worth the \$\$\$ can not say more except the computer requires it for a review0 of 1 people found the following review helpful. Good but old school would invest in a different bookBy James J. GrossCould use some info relevant to today . Don't get much here . Mostly talking about very intro stuff good for a newbie 9 year old but let's face it their not gonna read it.
