Children's book collectors who are frantically seeking a bigger better guide to Whitman's Big Little Books will be overjoyed to discover this volume! This fine selection of kiddy literature presents the most popular and infamous characters from classic fables, tall tales, news funnies, and radio/TV personalities. The span of characters and story

lines from the 1930's to the 1970's is enormous, including many competing publishers such as Dell and Saalfield. Full color photographs of all covers are included. 1996 VALUES -- Book Description
