The problem is over half the Puffkins I have are not in it! (That's the reason I only gave it 4stars, rather than 5!)3 of 4 people found the following review helpful. Hope CheckerBee "does it again" by putting out a new 2000 edBy Hillary ClintonI had recently ordered and gotten the 1999

edition of the Puffkins Collector's Guide from CheckerBee Publishing, thought it was a good guide and hoped that they "did it again" by putting out a new edition of the Collector's Guide for 2000. I had also thought it was about time they did it since I had noticed that there were SEVERAL new Puffkin releases and retirements since the last guide was published
