From the Author of Quick Guide to Coin Collecting: “Want to buy coins or build a collection? If you don’t understand the difference you’ll quickly find yourself simply buying coins...and wondering where all your money went. Like many collectors I’ve been through the trials and tribulations of the hobby, often learning hard lessons. It doesn’t have to be that way. You can build a substantial collection and not break the bank using the ideas and concepts outlined in the book.” Another Happy Reader – “Mr. Freeman, I love the way your book reads as a story and it starts at the very beginning of your coin collecting. One can’t help but wonder what coins may have passed through our hands. The book is very inviting and informative. Excellent read!” Teresa K, Oklahoma City
