**Camille Dalphond Cognac : Quilt Restoration: A Practical Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Quilt Restoration: A Practical Guide:

31 of 33 people found the following review helpful. Quilt RestorationBy A CustomerThis is a wonderful reference book for individuals interested in repairing family quilts or researching repair techniques. The bibliography is excellent.3 of 8 people found the following review helpful. Quilt Restoration: A Practical GuideBy Carol DemlandI was disappointed in the book as I paid \$90 + dollars. The book was not signed and was thin and did not contain all the material which I thought that it would. I will keep the book but not order any more. I noticed that the price was dropped to \$60.00 the week after I received the book. :(

With this book's guidance, every damaged or recovered quilt becomes an exciting challenge. Learn how to distinguish a genuine historic find from an ordinary attic specimen, how to "steal" fabric from one part of a quilt to replace

another, and how Victorian Crazy Quilts can be fixed by inseting embroidered patches without perforating the fragile silk.
