before purchasing it in order to gage whether or not it would be worth my time, and all praised Renaissance Cassoni: Masterpieces of Early Italian Art : Painted Marriage Chests 1400-1550:

3 of 5 people found the following review helpful. Incredible BookBy A CustomerI first saw this book a couple of years ago and knew I one day had to own it. This book is full of wonderful full color illustrations, of this barely explored art form.Of interest not only to those who are looking for a book on Cassoni, but also to costumers and painters. It is an invaluable resource for anyone interested in this facet of Italian Renaissance Life.
