Staff of Zyrus Press : Roosevelt Dimes, 1946-2013 P, D S Mintmarks (Cornerstone Coin Albums) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Roosevelt Dimes, 1946-2013 P, D S Mintmarks (Cornerstone Coin Albums):

When the dimes became available, I decided to order this one too. Book is great except in several pages, the clear plastic cover is glued stuck and I cannot remove to place the dimes in. On one page, I managed to use needle nose pliers to pull the plastic out and insert the dimes. However, on

another page, no matter how hard I tried with pliers, I could not get the plastic to slide out. The fact that I cannot place many of my dimes in makes this book useless. 0 of 0 people found the following review helpful. Two Stars By Customernice book but in mine the years 1954-1964 had 2 pages and no page for 1965-19770 of 0 people found the following review helpful. Perfect for Roosevelt Dimes!! By uafnanook2001 Great for dime collectors!

The Cornerstone Franklin Delano Roosevelt Dimes coin album is the perfect way to store, collect and learn about the United States Mint Roosevelt dimes. Inside you will find informative facts about why Roosevelt was chosen to be the face of the dime and more information about the 32nd president of the United States. Beginners will benefit from tips about how to grade and handle national park quarters, along with information about how to assemble more advanced quarter type collections. With the unique dual lenses page design, you can view both the front and back of each coin while enjoying a fun, educational and practical storage solution for your Roosevelt dimes. No matter which denomination or series you choose to collect, Cornerstone albums are an ideal companion both for your coins and for your journey into the fascinating hobby of numismatics!
