Great Source on SFBJ Dolls!By Tilly's reviewsExcellent book, a really great guide to both the history of SFBJ, and also nice photos in both color and black and white of the various character head molds/dolls made by SFBJ. Lots of good details in this book for both the beginning SFBJ doll collector and for advanced collectors too. Very well written.

Copious visual and documentation history showing many sought-after dolls from the inception in 1899 of Societe Francaise de Fabrication de Bebe and Jouets until the 1950s. Emphasis is directed toward the ever-popular Character dolls with rare examples highlighted. The patent section will prove invaluable in dating SFBJ dolls. Over 31 color and 380 b/w photos.
