Hunter Hammersen : Silk Road Socks before purchasing it in order to gage whether or not it would be worth my time, and all praised Silk Road Socks:

2 of 2 people found the following review helpful. Fascinating stories with lovely patternsBy K. HagenI'd wanted this book but have lots of other sock patterns, probably too many to knit in this lifetime. But I decided to take the plunge anyway and am glad I did. Although I haven't had time to knit any of the patterns, I have read some of the histories of various rug patterns. These are well-researched and well-written. Even if you or your designated knitter just uses the sock patterns, however, this book is well worth the money.0 of 0 people found the following review helpful. Interesting fiber and dye history along with many patternsBy Desert JewelVery interesting history of yarns and dyeing along with many patterns but is costly.1 of 1 people found the following review helpful. beautiful socks for the sock knitting addictBy M. Dee MedleyI love these patterns. They are based on traditional oriental rug patterns and the author supplies a lot of information about the rugs. They incorporate a lot of knitting methodology that is not terribly difficult but that adds to the knitting interest. And the resulting socks are lovely.

If you've ever dreamed of being whisked away on a magic carpet to a land where you could knit stunningly beautiful socks all day...well, we can't quite make that dream come true. But we can supply you with sock patterns to knit if you ever do get there! Inside you'll find 14 amazing new sock patterns, each inspired by a different style of oriental rug. An in-depth primer on top-down sock construction, thorough lessons on chart reading, detailed information on how to

resize any sock pattern, and tips to customize your socks to perfectly fit your feet help ensure your knitting success. You'll also find a wealth of information on the history of the Silk Road and the beautiful textiles produced in the region. *Silk Road Socks* will be a welcome addition to any sock knitter or textile artist's library. Author Hunter Hammersen is a prolific and talented sock designer whose designs have found their way onto countless knitters' needles. Visit the *Silk Road Socks* website for more information on the socks in this book, knitalongs and other bonus features.
