Hanna Arendar : Silver Tableware: Of the 17th–Early 20th Centuries before purchasing it in order to gauge whether or not it would be worth my time, and all praised Silver Tableware: Of the 17th–Early 20th Centuries:

This elegant volume presents the complete catalog of silverware in the V. V. Tarnovsky collection at the Historical Museum in Chernihiv, Ukraine. Comprising works by Ukrainian, Russian, Polish, and German silversmiths, this compilation reflects how the Ukrainian Cossack elite bought silverware in large quantities—both as tableware and a form of investment.
