5 of 5 people found the following review helpful. Memories RelivedBy Cecil G. BeareThis book was purchased as a gift for someone who has had a home on one of the Sister Lakes for more than 75 years. The joy in their eyes going through all the old photos was indescribable.This book is filled with postcard image after postcard image. As that saying goes - One picture is worth a thousand words, and nothing is more true than the postcard photos in this book - every page is a postcard with only a small description.For anyone who has visited or lived in this area, it is a MUST HAVE0 of 0 people found the following review helpful. and he enjoyed it immenselyBy CustomerBought as a gift for

For over 125 years, generations of vacationers have made the annual journey to the Sister Lakes region of southwest Michigan. Their experiences and photographs represent a cultural snapshot of a summer spent at a group of Midwest lakes. The postcards, selected from a collection of over 1,000, capture the life and times of 80 years of this favorite Michigan destination.

About the Author R. L. Rasmussen has written three books about Paw Paw Lake, Little Paw Paw Lake, and Deer Forest. This has grown into a business of selling historical books about southwest Michigan. Rasmussen operates the Southwest Michigan Store at the Great Lakes Antique Mall in Coloma. The postcards in this book are primarily from the personal collection of Floyd Jerdon. He and his son, Tom, own Jerdon Real Estate in Dowagiac.
