From Dover Publications : Six Book of Kells Cards (Small-Format Card Books) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Six Book of Kells Cards (Small-Format Card Books):

7 of 9 people found the following review helpful. Disappointing By Callie Rickard I was hoping for the postcards to show better pictures from the Book of Kells. They don't show off the beautiful knotwork from the book like I hoped, even though they are cheap, still not worth the money.

This handsome collection focuses on exquisite details from the great Kells illustrations, including portraits of Christ and Saint Matthew and the symbols of St. John, St. Luke, and St. Matthew. Reproduced in full color as ready-to-mail

postcards, these age-old images will delight bibliophiles, art lovers and admirers of medieval manuscript illumination.
