**Barbara E Mauzy : Sour Cream Glasses** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sour Cream Glasses:

0 of 0 people found the following review helpful. Great research book By TielessTy This book has all the facts about these interesting glasses. Great book for research or just for seeing all the designs. 0 of 0 people found the following review helpful. Five Stars By Nancy E. Malcolm excellent source for collectors 0 of 0 people found the following review helpful. Five Stars By Customer Great book. Nice pics.

Among today's favorite glass collectibles are the decorative containers that once held sour cream. From the late 1940s through the early 1990s sour cream was marketed in glasses having pry-off tops. After removing the lid and consuming the contents, one had a lovely, decorative tumbler to use and enjoy for free. This successful packaging strategy has left a remarkable array of glassware that is durable, colorful, and highly collectible. Here is the historical information, along with a value guide presented in an easy-to-use format complete with check-off boxes to easily maintain a collection. Barbara E. Mauzy again presents a useful, useable book that dealers and collectors alike will find to be an invaluable tool. If you enjoy kitchen collectibles this book belongs in your library.

About the Author Barbara E. Mauzy is a collector and dealer in kitchen and glassware items. She lives in Pennsylvania
