Susan Russell : South Beach Postcards before purchasing it in order to gauge whether or not it would be worth my time, and all praised South Beach Postcards:

The South Beach Art Deco District is all about light and color: splashes of neon at night in a dazzling array of hues; alluring turquoise ocean waters by day, under a sub-tropical sun; whimsical pastel boutique hotels, shops, and cafes everywhere. Photographer Susan Russell, well-known for her South Beach Art Deco work, captures this magic in a series of 20 beautiful color images, reproduced here in glossy, over-sized postcards, suitable for wall art or sharing by mail.
