Four StarsBy Fred ShrinerAs advertised1 of 1 people found the following review

helpful. GREAT PHOTO HISTORY OF CAMDEN, SC By B Ardell Young This book captures the history of Camden, SC from the late 1800s to the 1960s. It covers every aspect of life in Camden; school buildings, the changes in downtown area, the people of Camden, and the list goes on. I teach American History in Camden and the book has proved to be interesting to my classes since most are amazed that Camden and Kershaw County existed before they were born.

The small, historic town of Camden is one of South Carolina's most beloved communities. The state's oldest inland settlement, Camden is well known for its participation in both Revolutionary and Civil War battles, as well as equestrian events, business enterprises, and social life. Included in these pages are views of the city's commercial district, the Mather Academy, famed resorts, and cotton mills. Cultural aspects, including images from the initial running of the Carolina Cup, round out the collection and prove to be a rare and priceless find. A tribute to the prevailing prosperity of Camden and her residents, this volume will be enjoyed by newcomers, locals, and anyone with a penchant for nostalgia.

About the Author In South Carolina Postcards, Volume 8: Camden, authors Howard Woody and Davie Beard have combined more than 200 vintage postcards, photographs, and maps with detailed captions to depict Camden life from the late 1800s through the 1930s.
