Wanda Gessner : Spaghetti Art Ware: Poodles and Other Collectible Ceramics before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spaghetti Art Ware: Poodles and Other Collectible Ceramics:

0 of 0 people found the following review helpful. If your collecting hobby is spaghetti artware in the form ...By KathyIf your collecting hobby is spaghetti artware in the form of poodles, then this is fairly comprehensive. The Christmas collection at the end almost seemed out of place; because I was hoping this book had more info and photos of people-type figurines decorated with spaghetti trim, this is not what I was looking for, but I'll keep it as reference. NOTE: this book's copyright is 1998, so the prices shown for what each item is worth should be ignored.2 of 2 people found the following review helpful. More Pink PoodlesBy chuck levineThis rather thin book has lots of pictures and prices of several of the poodles I own? It is a kind of wish book and is helpful to use when cruising on-line or at antiques stores. I wish however it had more. There is a section on Christmas items that is out of place, would have

rather had more poodles.. The introduction is also of interest as to who made these, the history behind them. I love my poodles.1 of 1 people found the following review helpful. Great Reference GuideBy Iggy IckenhiemerThis book had all the information I needed to finish out my poodle collection. I wish there was a newer book for updated pricing, but this one still holds pretty true.

Revisit the 1950s, when poodles were all the rage and ceramic artists were busy experimenting with a technique suited to portraying these canines. More than 400 photos explore the use of spaghetti ceramic art from the 1930s through the 1960s, primarily as used on poodles, but with special sections on other animals, holiday figurines, and other applications. Market values are provided for these increasingly rare and fragile collectibles.

About the AuthorWanda Gessner is a woman of many interests and talents. She collects everything from Hot Wheels to fine china. She resides in California.
