Fun Book By Tau This is a fun book with characters from the roaring 20's. Kwei-lin Lum's style is fun and fanciful. Great color on

the clothes and backgrounds. I ordered a 2nd copy to give to a friend.

Roll right off the boardwalk, through the peepholes, and into the backroom bars! This paper doll book is your passport through the constraints of Prohibition and into the hush-hush watering holes of the Roaring 20s. Replete with vivid, authentic costumes of the era, seven dolls depict bootleggers, corrupt cops, showgirls, and flappers. Background scenes include a bustling speakeasy interior and its false facade of a tranquil flower shop.
