Steve Shackelford : Spirit Of The Sword: A Celebration of Artistry and Craftsmanship before purchasing it in order to gauge whether or not it would be worth my time, and all praised Spirit Of The Sword: A Celebration of Artistry and Craftsmanship:

0 of 0 people found the following review helpful. very good book By Naert Mariahelloa very good book on subjectspecifics technics on swordmakingbasic technics , very goods pictures and explanationsabsolutly to read it and discover it to discover itregards2 of 2 people found the following review helpful. Nice Picture Book By HughIt's a beautiful book, full color, well illustrated, and I really enjoyed pouring over it, but it's more a catalog than book. Certainly there are a few good articles in there, but 1/2 the book looks like a Blade Magazine catalog.I'm glad I have the book, I'm a sword collector, and it's a nice addition to the library, but people expecting something more academic or informative will be disappointed. A better book covering swords of different types and periods would be "The Book of Swords" by Hank ReinhardtEoghan Odinsson, Black Belt Award Winning Author of "Northern Lore: A Field

Guide To The Northern Mind, Body Spirit"3 of 3 people found the following review helpful. A fine coffee table book for anyone who loves the craft and respects the craftsmenBy Midwest Book ReviewThe sword is majestic, and is much a work of art as it is a tool for war. "Spirit of the Sword: A Celebration of Artistry and Craftsmanship" analyzes the artistry and craft that goes into the swords around the world, explaining why such a weapon still holds fresh in the minds of many. Both Europe and Asia embraced the sword, and the cultural clash still creates new designs today. Looking at not only the craft, but the craftsmen, "Spirit of the Sword" is a fine coffee table book for anyone who loves the craft and respects the craftsmen.

Live the Legend. Feel the SteelSteeped in lore and legend, swords evoke images of samurai swordsmen, knights in shining armor, the glint of hardened steel, the charge of mounted cavalry. Spirit of the Word is a stunning visual journey through the history of the simplest and greatest weapon ever devised. More than 300 detailed photos of swords throughout the centuries and from around the worldScenes from the ancient swordmaking capitals of EuropeThe magic of the Japanese sword, including a profile of Yoshindo Yoshihara, the world's greatest living swordsmithSwords on the Big Screen: a cinematic exploration of sword mythology For the historian, for the collector, for the edged weapon enthusiast, Spirit of the Sword is the perfect one-volume guide to the history and mystique of the world's long blades. From, fascinating information on the history of swords from around the world to helpful tips on collecting and displaying swords, you'll find in Spirit of the Sword.

About the AuthorSteve Shackleford, editor of BLADE Magazine for 25 years and editor of the semi-annual BLADE's Guide to Knives Their Values. He knows, personally, the top swordsmiths and manufacturers and has access to information and photos that make a most entertaining, exclusive and attractive sword book.
