**Charmy : Splendeur Des Uniformes De Napoleon: La Guard Imperial a Cheval (French Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Splendeur Des Uniformes De Napoleon: La Guard Imperial a Cheval (French Edition):

0 of 0 people found the following review helpful. Excellent reference bookBy Raymond LouieExcellent reference book, covers most of the French Imperial Guarts, however the illustration are not most artistic but drawn to the knowledge of the artist. Still an excellent book to add to my collection, I have other volumes in the series.2 of 4 people found the following review helpful. Sheer Napoleonic PanacheBy danny boyHow do you review a book when the

reviewer cannot read French? I bought this book solely on the strength of the pictures by Charmy, generally naively drawn but containing a wealth of details from primary and secondary sources. The drawings have a certain charm and appeal. 0 of 2 people found the following review helpful. Napoleonic Uniforms Galore By B. Thomason This book is lavishly illustrated with true works of art, used to describe the uniforms of the French Imperial guard cavalry during the first Napoleonic empire. The color and scope of the uniforms make them certainly as colorful as the troops were themselves. This is an excellent reference work and should be a part of any Napoleonic student's library.

French Text The plates in these two books effectively reproduce 2600 color gouaches of the uniforms of Napoleon's Guard à Pied and Guard à Cheval. Charmy's reputation led to his being one of the major uniform advisors to Abel Gance when he was making his famous movie, Napoleon. The Guard à Pied is here depicted in locations such as Russia and Waterloo as well as in static poses. There are also many plates depicting details of insignia, flags and other uniform detail, right down to horse equipment. Charmy's fine ability as a uniformologist and an artist were first presented in book form in the precursor to this volume on the Cavalry. Three further volumes will follow to complete this set.
