Chris McNab : Sporting Guns: A Guide to the World's Rifles and Shotguns before purchasing it in order to gage whether or not it would be worth my time, and all praised Sporting Guns: A Guide to the World's Rifles and Shotguns:

Sporting Guns is an illustrated guide to the world's best modern sporting rifles and shotguns, from all-time favorites such as the Weatherby Mark V to the latest Beretta competition shotguns. Ranging from bolt-action rifles to turkey guns, the book examines some of the most exciting available types of long gun for hunting and target sports. Sporting Guns is divided into four chapters that cover the main types of recreational gun: breech-loading (break-open) shotguns and rifles, semi-automatic and pump shotguns, bolt- and manual-action rifles, and semi-automatic rifles. Within each

chapter the guns are arranged alphabetically for ease of reference.
