Jim Platt, James Buckley Jr. : Sports Immortals: Stories of Inspiration and Achievement before purchasing it in order to gauge whether or not it would be worth my time, and all praised Sports Immortals: Stories of Inspiration and Achievement:

0 of 0 people found the following review helpful. Amazing book on sports facts By Annette Draper Amazing book on sports facts, records, and pictures which are amazing. The students really enjoy this book and all the great information that it contains. 0 of 0 people found the following review helpful. Five Stars By IRAGood coffee table book. 1 of 1 people found the following review helpful. An athlete's book By A Customer "Sports Immortals" is a fantastic nonfiction novel written by Jim Platt. Sports Immortals has the best collection of sports items ever. If you look in the book and see all the valuable items, they are all owned by one person, his name is Joel Platt. He started collecting them when he was in the hospital and Babe Ruth came to visit him. Some items were Muhammad Ali's boxing gloves, Oscar Robinson's basketball jersey, and Babe Ruth's baseball jersey. There are many different characters who were the best athletes in the world. Sports Immortals is a collection of stories about some of the greatest sports times and athletes of all time and describe the lives and challenging times they had to go through. For example, when Michael Jordan won his fourth NBA title he cried because his father had been killed that summer. I also liked when it talked about the 1980 U.S. hockey team and how their whole team was made up of collage players, and then they won the gold medal in Lake Placid, NY. This is a great book because it shows all the things that athletes have to go through to achieve their goals and accomplishments. I would recommend this book to people who want to learn about sports

history. I loved this book because it showed how hard it is to be an athlete and what difficulties they have to conquer. This book was a fantastic book that I loved and I think you would too.

Honor the greatest athletes of all time with the world's supreme collection of sports memorabilia. Sports Immortals spans more than a century of athletic achievement and contains more than a million mementos, including uniforms, gear, autographs, artifacts, tickets, programs, cards, games, and more. You'll follow the path of sports history as you move through each chapter and discover the stories of more than 100 inspirational athletes, including: -Jack Johnson - Muhammad Ali -Jim Thorpe -Walter Payton -Jesse Owens -Wayne Gretzky -Dale Earnhardt -And more! Your beloved sports heroes will come to life through the beautiful full-color photography and in-depth detail of Sports Immortals. No sports fan should be without it. For the first time, this collection is being presented to the public in this visually stunning book. The living memories on these pages represent the lifelong vision of collector Joel Pratt, who has worked tirelessly since childhood to gather sports memorabilia as the nucleus for a museum to honor sports legends. In this book, athletes come to life through the stunning depth of the Sports Immortals collection and through beautiful, full-color photography. Revisit sports history and be inspired by the stories of great athletes every time you turn the page.

From BooklistFor anyone who has ever saved a baseball program or treasured an autograph, this album is a marvel. Joel Platt started collecting sports memorabilia more than 50 years ago and has amassed more than one million pieces, 30,000 of which are on display at his Sports Immortals Museum in Boca Raton, Florida. Assembled by Platt's son, Jim, and sports historian Buckley, this volume showcases many of the jewels in the museum's crown. Beautifully designed, the book combines attractive four-color photos of the items (Wilt Chamberlain's high-school jersey, Cy Young's baseball shoes, Christy Mathewson's glove, and on and on) with brief snapshots of the athletes' careers and sidebars by Joel Platt describing how the various pieces were acquired. The snapshots are forgettable, but the sidebars are fascinating: imagine Platt introducing himself to Mathewson's widow and gaining access to a trunk of her husband's belongings that hadn't been opened since the Hall of Famer's death 36 years earlier. A browsing bonanza for all sports fans. Bill OttCopyright © American Library Association. All rights reservedAbout the AuthorJoel Platt is the chairman and founder of Sports Immortals. His Sports Immortals Collection has been featured in Sports Illustrated, Sport Magazine, and numerous periodicals and national television features. The Smithsonian Institute has recognized Sports Immortals as "...absolutely the most outstanding collection on all sports..." Jim Platt is the vice president of Sports Immortals. He has extensive experience in strategic marketing, strategic management, advertising, promotions, Internet development, and museum operations. James Buckley, Jr., is the author of more than 30 books on sports and sports history for both adults and children. His recent books include Perfect: The Story of Baseball's Perfect Games; Baseball: A Celebration; The Visual Dictionary of Baseball; and Eyewitness Football.
