**From Brand: Krause Publications : Standard Catalog Of Die-Cast Vehicles: Identification And Values, Revised Edition (Standard Catalog of Die-Cast Vehicles)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Standard Catalog Of Die-Cast Vehicles: Identification And Values, Revised Edition (Standard Catalog of Die-Cast Vehicles):

1 of 1 people found the following review helpful. Five Stars By qwerty Extremely useful guide. 15 of 18 people found the following review helpful. Toys By Mr. Alan Briggsthis hefty tome covers the lower end of the market with nothing much for the serious collector of quality models. 9 of 19 people found the following review helpful. yuk By Tradeand5 First of all, I HATE the BIG UGLY picture of American Car Racer...do not know his name, on the cover of the book. Second, I hate NASCAR and Cheap political HOT WHEEL junk I do not even care for looking at. The book

should focus on HIGH QUALITY COLLECTIBLE BRANDS ONLY. What a waste of paper~!!!

Die-cast enthusiasts and collectors will find more than 5,000 listings, along with clear, detailed photos of the most popular current and vintage die-cast vehicles from lines such as Corgi, Johnny Lightning, Matchbox, Hot Wheels, Racing Champions, Tootsie Toys, Dinky, GMP, Kyosho, Eagle, and more. Each listing includes a detailed description (including colour, size/scale, model number, features and year), as well as up-to-date dollar pricing in up to three grades of condition. This comprehensive guide will help collectors appraise their collections, while also giving them invaluable information and inspiration to keep on collecting. The book also features a convenient checklist format for collectors to track growing collections.

"If you're looking for the definitive reference book devoted to die-cast model cars, look no further than the "Standard Catalog of Die-Cast Vehicles. This identification and price guide covers the hobby more completely than any other book currently on the market, providing authoritative company histories and up-to-date pricing for the most popular brands in die-cast. I highly recommend this book to automotive enthusiasts who collect models of their favorite cars, regardless of manufacturer." About the Author Karen O'Brien is a book editor for Krause Publications and a lifelong toy collector. She is also editor of Toys Prices 2004, Standard Catalog of [registered] Farm Toys, and O'Brien's Collecting Toy Cars and Trucks.
