Dean Oakes, John Hickman : Standard Catalog of National Bank Notes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Standard Catalog of National Bank Notes:

0 of 0 people found the following review helpful. great folks to deal with By oldrooster one of the best nbn catalogs out there, sent as promised exactly 0 of 0 people found the following review helpful. Four Stars By Samuel D Dated but Has great information on all the bank notes and how many were printed. 3 of 3 people found the following review helpful. Somewhat outdated but still a required tool for collectors By Tom Vaughn The book shows it's age in the variety ratings of the various banks and their banknotes. Basic information on number of notes printed, types printed, etc. is still valuable information
