John Gunnell : Standard Catalog of Pontiac 1926-2002 before purchasing it in order to gage whether or not it would be worth my time, and all praised Standard Catalog of Pontiac 1926-2002:

Fun and Informative for the Pontiac enthusiastBy Rick TCPart of the excellent "Standard Catalog of..." series of titles, this is a very complete account of every model sold by Pontiac up until 2002 (it won't have the modern GTO). You get a breakdown of all the different body styles with prices, curb weights, engine info, some ID numbers. Some model years have limited coverage of major options with their prices. I own both editions, but it is much better to get the print version since the Kindle edition doesn't handle photos and certain tables of information. That said, you cannot search in the print edition, though with the chronological organization of the book you don't even need that.0 of 0 people found the following review helpful. Five StarsBy piotrgood as expected0 of 0 people found the following review helpful. Book reviewBy Grandma W-GThis was for

my husband, who owned some Pontiac cars back in the late sixties. The pictures production figures are VERY NICE. He got the book recently, said "IT'S COOL!!!"---

Collectors can speed through thousands of listings to obtain specifications, production data, and serial number information for their favorite Pontiacs. Every Pontiac model ever made from 1926 to 2002 is listed, along with the predecessors to Pontiac, the Oakland cars produced from 1908-1931. Collectors will enjoy seeing such models as Silver Streaks, Bonneville, Catalinas, Tempests, GTOs, Firebirds, Fieros, Trans Ams, Grand Prix, Grand Am, Trans Sports, Can Am, Venturas, Sunbirds, Sunfires, and Aztecs. Over 500 photographs help collectors clearly identify the Pontiacs through the years. Current collector values are provided in six grades of condition. This updated edition also includes new facts and photos. This book: provides thousands of listings of Pontiacs made from 1926-2002; includes new listings for models made from 1996 to 2002 including Bonneville SSEi, Grand Prix GTP, Ram Air Firebirds, Aztec, and Vibe; lets you obtain specifications, production data, serial number information, and much more; and, features coverage of Oakland cars produced from 1908-1931.

"If you want to make yourself a Pontiac expert overnight, grab a copy of this superb book, one of an extremely worthwhile series..." -- Classic American, January 2003.
